How long's yours? Chances are it's a few inches at the most which is unfortunate because Karen, a 22-year-old from Maidstone, likes hers to be nearly two foot. We're talking hair here, and Karen's long locks are the envy of many a girl. "That's because they don't have to brush it!" she laughs. "I've lost dozens of boyfriends cos it takes me so long to get ready!" But most guys go ape when they see the 36-23-35 beauty in her freshly brushed glory. "They

Appearances aren't always deceptive. There are some girls who look very naughty, and are exactly that! One is 22-year-old Pauline from Halifax. Her penchant for wearing glamorous, glossy high heels and saucy black undies even to the shops and her come-to-bed eyes give away this horny woman's personality. "For some people sex is just a game," Pauline says. "But for me, it's an obsession. I love every aspect of it, from trying out new things with an old boyfriend to doing the usual things with a new one." The dental receptionist also loves dressing up. "I never go out in plain white panties — I wear black silk even under my white uniform," she says. "Afterall you never know when the next fella you fancy is going to come along." Ⓜ

JAMIE-LEE

Just 28 days ago, cool sophisticated 36C-22-34 blonde Jamie-Lee not only made her debut on our centre-pages but proved so popular we had to bring her back. "I was delighted when they told me," the 20-year-old from Twickenham said. "I've never had fan mail before. Some of the readers' letters were rather saucy, but I read and enjoyed every one." As we mentioned last month, poor Jamie is without a man at the moment. "It has been ages since a guy made love to me, and I'm getting desperate," Jamie claims. "I've started having filthy fantasies about guys on the telly! Angus Deayton has got a huge one and knows exactly what to do with it and Jonathan Ross is brilliant with his tongue! I think I should hold my own awards ceremony!" Ⓜ

How many girls can list amongst their greatest achievements *Mayfair* favourite, Page Three girl, *and* Miss Peachy Cheeks 1993? Not many, we'll bet, (even if that last one was awarded by the Editor!). But for Bournemouth belle Sandy, 19, being every man's dream girl comes easy. "Being fancied by so many men has given me a lot of confidence. But I haven't always been like this. I didn't think I was even slightly sexy till I was 16," says Sandy, looking rather glum, but then perking up a bit. "Mind you, the minute my boobs began to sprout and my bum grew curves, men suddenly started to notice me. So it wasn't long before a guy invited me back to his parents' house while they were away to show me what my new developments were for. I remember the first time I tossed him off onto my boobs, he said I was a very fast learner," adds Sandy. "But I did have to admit I'd been doing plenty of homework on my own!"
